

Product Conditions: Saver Plus - Issue 6

Account Name	Saver Plus – Issue 6
What is the interest rate?	<p>4.01% Gross/AER variable</p> <p>AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year.</p> <p>Gross interest is paid directly into the account on 31 March each year, but can be paid to a nominated bank account or another account with the Society in your name.</p> <p>You can find details of all our savings interest rates at www.scottishbs.co.uk</p>
Can Scottish Building Society change the interest rate?	The interest rate is variable and may be changed (see our Savings Terms & Conditions). When the change is an increase in the interest rate, we will update our website to show the new rates. When the change is a reduction, we will write to you 14 days before the rate change.
What would be the estimated balance after 12 months based on a £1,000 deposit?	<p>If you deposit £1,000, after 12 months the projected balance would be £1,040.10.</p> <p>This projection is for illustrative purposes only and does not take into account your individual circumstances.</p>
How do I open and manage the account?	Accounts can be opened by anyone aged 18 or over and resident in the UK. You can open an account in our Relationship Centres or download an application form online. The minimum opening deposit amount is £100, up to a maximum of £1,000,000. You can make deposits into your account in our Relationship Centres (cash or cheque), by post (cheques only) or by bank transfer.
Can I withdraw money?	<p>Saver Plus – Issue 6 allows you to make up to four withdrawals in a 12 month period from account opening. This account is designed for those who are able to make four or fewer withdrawals in a 12 month period. If you make a fifth withdrawal in a 12 month period, your account will close and we will open an Instant Access Saver (or an equivalent if that account is no longer available), and the relevant account terms and conditions and interest rates will apply.</p> <p>At the end of the 12 month period, the number of withdrawals will reset to zero. You will be able to make up to four withdrawals in the next 12 month period.</p> <p>You must keep a minimum £100 balance, and you can make withdrawals in our Relationship Centres or by post to your nominated account, without notice. Money transferred to your nominated account may take up to two business days to reach your account. This is not a payment account.</p>
